December 2011

Just a brief note to fill you in since our June letter. Victor has been on a couple of trips with ECM – he will add a bit below – and both of us are involved some more locally.

We're planning a quiet Christmas, but will be with family, too.

We wish you a Peaceful and Happy Christmas season and God's Blessing for the New Year.

*Sincerely in His love,
Marie.*

It's Victor here – News from Rostock is very encouraging and we can only thank the Lord that the little church continues to grow.

I had to cut short my second visit in Oct as I had a kind of vertigo, an inner ear balance problem. It has cleared up well now, though I'm booked in for the ENT clinic soon.

With the missionaries at Prayer Days in Rostock

*Travel next year should be less!
In March, DV, I accompany Andrew (a long-time missionary) and the Slemish music group to Rostock, Barth and Schwerin.*

Please pray for all the plans and an effective witness for the Lord in March 2012, DV.

Last month I was in S. Germany. The two ECM families (Walter + Vimal) are working among refugees. It was a privilege to speak at the annual conference and seminar day (which we started 12 yrs ago). Fifty were present and the theme was "Biblical Motivation for Evangelism among Foreigners".

Seeing the active Iranian and Tamil churches was a blessing, too. But I was especially pleased to hear from Don how God has answered prayer. His wife was allowed to join him after 14 years! He told me, "God is as faithful as He was to Daniel, and He may even allow us to go into the den. We will not easily forget the lessons and experiences of the past 14 years." Pray that his wife settles well in Germany.
